ART GUIDELINES

Design Guidelines

Art Bra Lenawee is a Live Runway and Auction Event that uniquely celebrates breast cancer survivors and raises funds for local residents affected by breast cancer. Our mission for 2016 is to complete our pledge goal of \$50,000 toward the 3D Mammography Machine located at the ProMedica Herrick Women's Health Center. This machine provides early detection with more accuracy and efficiency to all residents of Lenawee County.

Designs must be relevant to our cause and align with our mission. Donated works of art should be classy, elegant, funky, fun, elaborate, creative and one of a kind.

Designs **WILL NOT** be accepted by Art Bra Lenawee that exhibit nipple, resemble adult entertainment, appear as lingerie, exhibit vulgarity, or are offensive in any way to a specific race, gender or political view.

Art Bra Lenawee welcomes all mediums of art such as metal, collage, painting, sculpture, recycled, pen and ink, fabric and decoupage.

Suggested sizes for Art Bras range from 36C/38C to 36D/38D.

Approved art pieces will be used for either the live runway auction or the silent auction.

Art Bra Lenawee reserves the right of final approval of each piece of art that will be featured at the Art Bra Lenawee 2016 event on October 12, 2016 at The Ashlar in Tecumseh, Michigan.

Please sign if you have read and agree to follow these guidelines:
